

A Path to Empowerment

We empower kids to live a healthy, active lifestyle

At Christmas, we provide brand new bikes to underserved youth in Alameda and Contra Costa Counties so that they can get to school and jobs on time, as well as have fun with their friends.

The sign features three photographs: a row of colorful bicycles, a group of people working on bikes, and a person working on a bike.

A great way for employees to experience team building, make a contribution to the community, and have a lot of fun.

Gerald (Jer) Kruse was one of the founders of Kids Bike Lane. His family, friends, and fellow Board members honor him with this special memorial fund.

Bikes for Special Needs Riders

Lily was the first recipient of a three-wheel bike at the 2019 Big Bike Build. Four more bikes were delivered in 2020 to youth in need of a special bike. Amberly received a new bike in July 2021 from the memorial fund.

Why do we do it?

It's all about the kids!

Thank You Note from Grateful Kids

Quote from a youth who received a bike ...

“Thank you very much for the bike I received. I have gotten great use out of it and use it everyday. Thanks to the bike I have been on time to school, which in turn helped me to get the lost credits I needed to graduate. The bike is a major reason I am graduating. So, thank you for helping me be the first one y family to graduate from high school.”
